65	WAWIRE,SAMSON JOAB	What is the plan to stabilise the company's financial position going forward? Despite the weak earnings over the past several years, the company's balance sheet, especially assets, remain strong. How can this strong balance sheet be leveraged to provide earnings and cash flows to sustain business operations?	Web	Dear Samson, Management's focus is to restore sustainable profitability while preserving the strength of the balance sheet. This is being achieved through disciplined cost optimisation, improved revenue quality, and tighter working capital management. The Company's strong asset base and liquidity provide resilience and support ongoing operations being prudently leveraged through efficient cash deployment and selective investment in high-margin, cash-generative areas.
67	KINUTHIA,HARRISON NJUGUNA	I am requesting the board to shed clear light on the loan advanced to WPP at 5% and if true why advance credit to top shareholder at a competitive rate to the market available rates	Web	Dear Harrison, Fund management decisions are not based solely on the pursuit of higher returns, but also on ensuring the security and accessibility of invested funds. The decision to place funds (USD only) with the parent company is aligned with the Group's treasury principles of capital preservation, liquidity, and prudent return optimisation. The interest earned is competitive and in certain instances exceeds USD fixed deposit rates offered by Tier I banks, with instant access to funds within 2 to 3 working days.
69	CHEGE,KENNETH IRUNGU	Haven't received my cheque for the last 5 years, my address is the same, what happened?	Web	Dear Kenneth, thank you for your question. You can reach out to us via email info@image.co.ke or call us 0709170000 regarding your dividends.

94	OKEYO,GRACE ALICE	What has happened to the dividends for members? Whenever I ask I've been told the company has not declared any dividends for more than 4 years. How can I get back my investment as it's not profitable for me?	Web	Dear Grace, please note that the Board of Directors did not recommend payment of dividend for the year ended 31st December, 2025. Kindly get in touch with our Shares Registrar - Image Registrars Limited, located along Loita Street, Absa Towers, 5th Floor or contact them via email info@image.co.ke or call 0709170000.
95	GATIMU,TERESIA WANGUI	Will WPP compensate Scangroup for the differential in market rates versus the discounted rate given to WPP? Who is meeting the Fringe Tax obligation?	Web	Dear Teresia, All transactions with Group companies are conducted strictly on an arm's length basis. Our foremost priority is the preservation of capital and prudent risk management. With respect to USD funds under cash management with WPP, current returns are competitive and aligned with market conditions. As such, there is no basis for any compensation adjustment or associated fringe benefit tax implications.
96	KINUTHIA,HARRISON NJUGUNA	MD says Pay is performance based but in 2025 both MD's took home over KSh 70M from 54M in 2024 despite deeper losses, what reward on performances prompted the hike?	Web	Dear Harrison, The increase in reported remuneration in 2025 primarily reflects one-off contractual payments following the departure of an Executive Director, which do not relate to underlying performance. Excluding these non-recurring items, executive compensation remains aligned with the Company's pay-for-performance framework and is subject to oversight by the Remuneration Committee.
97	THIONGO,JIMMY MUGITHI	Why don't you give the shareholders some gifts on top of the dividends?	Web	Dear Jimmy, please note that the Board of Directors did not recommend payment of dividend for the year ended 31st December, 2025.
